

	PLANNING AND MANAGEMENT ADDRESS	GP IF 009
	INTEGRAL POLICY	VERSION:02
		DATE: JANUARY 2025

Transintercarga Logística Ltda., as a comprehensive logistics operating company specializing in foreign trade services, guarantees the comprehensive compliance and security of its operations through legal compliance as a freight forwarder, developing alliances with strategic partners, sound resource management, highly qualified personnel, and adequate security controls to prevent illicit activities, money laundering, terrorist financing, corruption and bribery, and the security of the use of information technologies that affect operations. To this end, the primary responsibility for results is described and assigned to our process leaders.

All of this is done with a commitment to providing quality and safe services that ensure the satisfaction of the needs and expectations of our customers and stakeholders; all of this is part of the continuous improvement of our comprehensive management system.

DAISSY JOHANNA AMARILLO B.
CEO & Founder
